

For this test, package `automultiplechoice` is used with the following options:

- `nopage`, so that no page markers are printed: nothing is planned for future automated marking from papers scans.
- `indivanswers`, so that correct answers are indicated (this is the corrected answer sheet. Without this option, you get the question sheet).

Commands from `automultiplechoice` are used to print, for each student, two geography questions and two history questions, at random. Questions and answers are shuffled.

**Question 1 ♣** Which of the following events are taking place during the year 1971?

- The Soviet Union launches Salyut 1
- The first commercial Concorde flight takes off
- Death of Louis Armstrong
- Apollo 14 lands on the Moon

**Question 2** What is the capital of Egypt?

- Cayenne
- Caracas
- Cairo
- Conakry
- Chisinau

**Question 3 ♣** Which of the following events are taking place during the year 1850?

- Napoleon Bonaparte crosses the Alps and invades Italy
- First horse-drawn omnibuses established in London
- American Express is founded by Henry Wells & William Fargo
- Kwang-su becomes emperor of China

**Question 4** What is the capital of Ghana?

- Accra
- Addis Abeba
- Ankara
- Apia

For this test, package `automultiplechoice` is used with the following options:

- `nopage`, so that no page markers are printed: nothing is planned for future automated marking from papers scans.
- `indivanswers`, so that correct answers are indicated (this is the corrected answer sheet. Without this option, you get the question sheet).

Commands from `automultiplechoice` are used to print, for each student, two geography questions and two history questions, at random. Questions and answers are shuffled.

**Question 1 ♣** Which of the following events are taking place during the year 1901?

- The first line of the Paris Métro is opened
- Official end of the Caste War of Yucatán
- King George of Greece becomes absolute monarch of Crete
- Funeral of Queen Victoria in London

**Question 2** What is the capital of Ireland?

- Djibouti
- Dublin
- Dhaka
- Dili
- Doha
- Dakar

**Question 3** What is the capital of Ghana?

- Apia
- Accra
- Addis Abeba
- Ankara

**Question 4 ♣** Which of the following events are taking place during the year 1850?

- Napoleon Bonaparte crosses the Alps and invades Italy
- First horse-drawn omnibuses established in London
- American Express is founded by Henry Wells & William Fargo
- Kwang-su becomes emperor of China

For this test, package `automultiplechoice` is used with the following options:

- `nopage`, so that no page markers are printed: nothing is planned for future automated marking from papers scans.
- `indivanswers`, so that correct answers are indicated (this is the corrected answer sheet. Without this option, you get the question sheet).

Commands from `automultiplechoice` are used to print, for each student, two geography questions and two history questions, at random. Questions and answers are shuffled.

**Question 1 ♣** Which of the following events are taking place during the year 1971?

- The first commercial Concorde flight takes off
- Apollo 14 lands on the Moon
- The Soviet Union launches Salyut 1
- Death of Louis Armstrong

**Question 2 ♣** Which of the following events are taking place during the year 1850?

For this test, package `automultiplechoice` is used with the following options:

- `nopage`, so that no page markers are printed: nothing is planned for future automated marking from papers scans.
- `indivanswers`, so that correct answers are indicated (this is the corrected answer sheet. Without this option, you get the question sheet).

Commands from `automultiplechoice` are used to print, for each student, two geography questions and two history questions, at random. Questions and answers are shuffled.

**Question 1** What is the capital of Ireland?

- |                                |                                |  |
|--------------------------------|--------------------------------|--|
| <input type="checkbox"/> Dili  | <input type="checkbox"/> Dakar | <input type="checkbox"/> Djibouti          |
| <input type="checkbox"/> Dhaka | <input type="checkbox"/> Doha  | <input checked="" type="checkbox"/> Dublin |
